### ADMISSION TO CLASS VI (ACADEMIC SESSION - 2024)

#### **NOTIFICATION**

Ramakrishna Mission Vidyapith, Purulia, established in 1957, is a branch centre of Ramakrishna Mission, which was founded by Swami Vivekananda. Affiliated to West Bengal Board of Secondary Education and West Bengal Council of Higher Secondary Education, this is a fully residential school (both English and Bengali medium) for boys from classes V to XII. The school welcomes boys from all sections of society, regardless of their caste, creed, or religion. The guardians who resonate with the educational principles advocated by Swami Vivekananda and followed by the Ramakrishna Mission are encouraged to consider admitting their wards to the school. By placing their wards in an *ashramic* environment, guardians can ensure that their children receive an education that emphasizes holistic development, character building, and values-based learning.

A few students will be admitted in class VI this year. The admission process for class VI consists of two phases: the Written Test and the Interview.
